

## No Other Love 3

Kevin Thompson's life has come crashing down around him. He learns that he's gotten his assistant, Alicia Moore, pregnant at the same time as his girlfriend, Carla Windsor. Now that the secret has been exposed, he doesn't know what to do or who to turn to. Will he be able to put his life back together before another huge secret comes out? Carla Windsor's life is finally falling into place once she's gotten her man back and is now carrying their second child. However, when she learns about Kevin and Alicia, she feels she is right back to where she was ten years ago while dealing with his ex-wife, Jennifer. Will she be able to forgive him for the sake of their child or do the exact thing she did with their first child? Jennifer Thompson is doing everything she can to keep herself from going insane. She's keeping tabs on Calvin DuBose's disappearance to make sure that her relationship with her ex-father-in-law stays intact. She's trying to do right, but her past keeps coming back to haunt her. Will she be able to turn her life around or fall back into the same trap which almost had her killed? With more lies, deceit, and betrayal ahead, these three won't know what hit them as their lives become even more complicated. Find out whether they can survive their misdeeds in the conclusion of the No Other Love series.
