

A Damned Serious Business (The Bill Franklin series Book 2)

The bicentenary of the battle of Waterloo is approaching in 2015. Antique Dealer Bill Franklin starts to assemble suitable Wellingtonian collectibles via his runner Lionel Yelland, but is soon caught up in a criminal conspiracy over Napoleonic chairs, fraud, forgery and murder. This all happens while his lady friend Ellen Stanton is away on a pleasure cruise and Bill finds a general's granddaughter with a model layout of Waterloo interested in displaying the model and dispelling boredom.
