

Just William (Just William series Book 1)

In Richmal Comptons Just William the Outlaws plan a day of non-stop adventure. The only problem is that William is meant to be babysitting. But William wont let that stop him having fun with his gang - hell just bring the baby along! There is only one William. This tousle-headed, snub-nosed, hearty, loveable imp of mischief has been harassing his unfortunate family and delighting his hundreds of thousands of admirers since 1922. This delightful childrens classic features a contemporary cover look illustrated by Chris Riddell, along with the original inside illustrations by Thomas Henry, which will bring the antics of the mischievous William Brown to a new generation of children.
