

Devastation (HEARTFIRE Book 2)

A sad girl who is pregnant, broke and on the run from the undead, may think a job in a book store in a safe little town is the best place to hide. When a mysterious young man gives Ana a card which tells her to contact him urgently, she fears she may have been followed. But when she sees what is written on the back of the card, she knows something terrifying is about to begin. Caden is no ordinary man and her life is about to change forever. A paranormal suspense novel.
