Amber is a bookworm, a loner, and a freak. She works hard to sharpen her mind to a fine point and dabbles in things she shouldn't be dabbling in because a witch knows there's power in knowledge. But knowledge doesn't fix loneliness. The sudden emergence of a mysterious stranger to her town sets off a chain of events that'll throw Amber out of her regular life and into a tail-spin. Magick is real, her home and her friends are in danger, and the devil may have a plan for her. As she comes to terms with her new abilities and her role in the grand scheme of things, she must master her emerging powers and make new allies and friends if she wants any chance at survival.
