

Shoot to Thrill (CASI) (Volume 2)

The Colorado Academy for Superior Intellect (CASI) only the best and the brightest may attend and only if they possess a Talent the Meece Foundation deems of value. Founded in the late sixties, the Academy is the brainchild of Hugh Meece, pharmaceutical groundbreaker and CASI is its shining jewel. Their motto: Exploring the last frontier...the human mind. Special Agent Arin Thomas always gets her man, but when she embarks on a personal mission to uncover the details behind her best friend's death, she discovers a world she's never even imagined. A world where extrasensory powers are exploited, and where her badge makes her a big, shiny target. Dr. Jonah Summers would be more than happy to run the Colorado Academy for Superior Intellect (CASI) if only people would stop shooting at him. But that's a pointless wish when someone with a bottomless bank account and a direct line to Russian special forces has CASI and everyone connected to it in the crosshairs. Arin and Jonah find themselves dodging a merciless killer with a hidden agenda while trying to fight their own attraction. It's only a matter of time before one of them has to Shoot to Thrill in order to kill or be killed.
