

## Kincades Rose (Megalodon Team)

Navy SEAL Tyson Kincade was proud of his emotional control. So how, with one glimpse of the voluptuous sepia beauty sitting alone, all that sanity and control disappeared like waves receding from the beach? From the first moment they touched he knew he never wanted to let her go. Ever want to ignore the voice of reason and have that fling with the handsome man you met on vacation? Jayde Porter did. From the second her eyes landed on his tanned muscular body. Then she ran into him, literally. An encounter which led to a scorching kiss, dinner and marriage? Her life was in chaos.

Exploding plane, night jumping, and jungle dangers Jayde knew that to survive she would have to trust the man she married. Can he make her understand they were meant to be together or will they be kept apart by circumstances surrounding them? Together if Tyson has a say in it, for the amazing woman he married is KINCADES ROSE
