

Waiting on You (Blue Heron series, Book 3)

[Read by Amy Rubinate] Does being nobodys fool mean that youre nobodys love? - - Colleen ORourke is in love with love ... just not when it comes to herself. Most nights, she can be found behind the bar at the Manningsport, New York, tavern she owns with her twin brother, doling out romantic advice to the lovelorn, mixing martinis, and staying more or less happily single. Ten years ago Lucas Campbell, her first love, broke her heart - an experience Colleen doesnt want to have again, thank you very much. Since then, shes been happy with a fling here and there, some elite-level flirting, and playing matchmaker to her friends. - - But a family emergency has brought Lucas back to town, handsome as ever and still the only man whos ever been able to crack her defenses. Seems like maybe theyve got some unfinished business waiting for them, but to find out, Colleen has to let her guard down or risk losing a second chance with the only man shes ever loved.
