

Life Letters: The Fruit of the Spirit

A beautiful princess and her prince charming... who turns out to be not so charming after all. A tormented outcast watching life pass her by. A wealthy society dame slumming... and loving it. A brutal kidnapping gone right. Life Letters is a collection of letters personally penned by nine women from the Bible whose lives demonstrate what it means to produce the character traits of a believer; the fruit of the Spirit. Each letter focuses on one of the fruit listed in Galatians 5:22-23: love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, and self-control. Every letter concludes by taking the reader back to the Scriptures for a life-application study.
