Brooklyn and Mario felt that it was best that they take things a little slower after his latest mishap with the infamous Remy. Although the love is still lingering in her broke heart, her trust for him has dissipated. She isn't thinking about another man, let alone conversing with one until she sets her hazel eyes on the ever charming and sexy Remodi. However, not knowing his true identity, she lets her guard down and gives him a moment of her time when she has any freed up. Between being a great mother and businesswoman, Brooklyn's time is very limited. Will Remodi get under her tough skin and penetrate her heart? Or will he only add to her madness with his shenanigans? Meanwhile Remy has been keeping company with someone very close to her and Mario. Jealousy and greed brought the duo together instantaneously but what she didn't anticipate was cupid poking her right in the heart. Being the self-proclaimed, money-hungry female she was, love was never in her plans. But, this particular person has her in another head space. She didn't plan on the budding romance and she is sure to step on more than a few toes when she reveals his identity. Take a ride into more lies, sex, betrayal, and secrets in the Lingerie Ladies: Casualty of Love and War.
