

Sister, Sister

Terror Times Two: Like laboratory animals, they have been studied and probed since the day they were born. The scientists refer to them as Duplicitas Aerior. The general public calls them Siamese Twins. The cruel tabloids label them Freaks of Nature. But to Neil Richards, their new teacher, Alpha and Beta are very special children...Alpha is the dreamer; Beta is the doer. Alpha masters the thoughts; Beta controls the legs. When Alpha pulls the strings, Beta is her puppet. And when Alpha and Beta put their minds together, no man or woman alive is safe.
