

Stolen Daisy: A Novel

Stolen Daisy takes you on thrill-ride of suspense and high stakes, a missing girl, and the ultimate betrayal. A dark past. A dangerous secret. A deadly disappearance. Samantha Beckett doesn't have the luxury of selfishness. What she has is a four-year-old sister whom nobody knows exists, a sister she must keep safe. And that responsibility is just enough to keep her head above the tumultuous waters of their mother's rage. Then one stormy spring day Samantha comes face to face with her worst nightmare, and she knows that her world will never be the same. By the time Samantha discovers the truth, it's too late. Now she must risk her own life not only to rescue her sister, but to keep them both alive.
