

The Banquet of the Lords of Night and Other Stories

In such novels as *The Poison Master*, *Empire of Bones*, and *Nine Layers of Sky*, Liz Williams sparked readers' imaginations by creating worlds at once strange and familiar. Now this bold new writer brings her best short fiction together in one stunning collection. The stories featured in *The Banquet of the Lords of Night* have appeared in *Asimovs*, *Interzone*, *Realms of Fantasy*, and *The Third Alternative*, among others. The stories within the covers of *The Banquet of the Lords of Night* are varied in style and subject matter, but they are all powerfully written. From the breathtaking title story, *Banquet of the Lords of Night* about an Earth plunged into a world of darkness where light is against the law to the stunning *The Man from the Ministry* in which we learn the how far a mother will go where her family is concerned; Williams displays an astonishing breadth and variety of writing styles. Williams is equally at home writing galaxy-spanning science fiction like *Quantum Anthropology* as she is weaving a tale like *Adventures in the Ghost Trade* which incorporates demons, magic, the afterlife, and private detectives. Williams's unique cross-genre voice is a reinvigorating one for SF, fantasy and horror. Skyhorse Publishing, under our Night Shade and Talos imprints, is proud to publish a broad range of titles for readers interested in science fiction (space opera, time travel, hard SF, alien invasion, near-future dystopia), fantasy (grimdark, sword and sorcery, contemporary urban fantasy, steampunk, alternative history), and horror (zombies, vampires, and the occult and supernatural), and much more. While not every title we publish becomes a New York Times bestseller, a national bestseller, or a Hugo or Nebula award-winner, we are committed to publishing quality books from a diverse group of authors.
