

## Major Works of J. M. Barrie

On J. M. Barrie: Sir James Matthew Barrie, 1st Baronet, OM (9 May 1860 – 19 June 1937) was a Scottish novelist and playwright, best remembered today as the creator of Peter Pan. He was born and educated in Scotland but moved to London, where he wrote a number of successful novels and plays. There he met the Llewelyn Davies boys, who inspired him to write about a baby boy who has magical adventures in Kensington Gardens (included in *The Little White Bird*), then to write *Peter Pan*, or *The Boy Who Wouldn't Grow Up*, a fairy play about an ageless boy and an ordinary girl named Wendy who have adventures in the fantasy setting of Neverland. Although he continued to write successfully, *Peter Pan* overshadowed his other work, and is credited with popularising the then-uncommon name Wendy. Barrie unofficially adopted the Davies boys following the deaths of their parents. Barrie was made a baronet by George V on 14 June 1913, and a member of the Order of Merit in the 1922 New Year Honours. Before his death, he gave the rights to the *Peter Pan* works to Great Ormond Street Hospital for Children in London, which continues to benefit from them. (Source: Wikipedia.org)

Major Works of J. M. Barrie contains:
