

## Love Lies Bleeding: A Novel

In the vein of Jennifer McMahons Promise Not to Tell and The Lovely Bones by Alice Sebold comes Love Lies Bleeding, a haunting story about the lengths to which people will go to keep their pasts buried. Jess McConkey (aka award-winning author Shirley Damsgaard) enthralls with her ingenious blending of family drama and gripping mystery. Suspenseful and absolutely chilling, Love Lies Bleeding grabs hold of the reader from page one, as a young woman whose golden life is shattered by unexpected violence is sent to a small, secluded lake town in Northern Minnesota to recover and soon suspects the towns eccentric residents are hiding more than one truly frightening secret.
