

## Prom Nights from Hell (Madison Avery)

Five amazing authors. Five unforgettable stories. In this exciting collection of paranormal tales, best-selling authors Stephenie Meyer (Twilight), Kim Harrison (Once Dead, Twice Shy), Meg Cabot (How to Be Popular), Lauren Myracle (ttyl), and Michele Jaffe (Bad Kitty) take prom mishaps to a whole new level—a truly hellish level. Wardrobe malfunctions and two left feet don't hold a candle to discovering your date is the Grim Reaper and he isn't here to tell you how hot you look. From angels fighting demons to a twisted take on getting what you wish for, these five stories will entertain better than any DJ in a bad tux can. No corsage or limo rental necessary. Just good, creepy fun.
