

Easy Target (Doucette Mystery Series Book 2)

Hours are missing from Lucinda Fitchetts memory. She has no recollection of the events that occurred on Sunday night and she cannot recall leaving the bar. The phone rings early the next morning. A stranger claims to know who spiked her drink and why. If she agrees to meet him, he will tell her, though he warns her the information comes at a price. Desperate to know what happened during the missing hours, Lucinda must decide if his offer is worth the risk. But can she put aside her troubled past, and will she be prepared to learn the truth? Meanwhile, San Francisco police are investigating a shooting that killed a man in Lafayette Park. When Homicide Detective John Doucette visits the crime scene, it triggers memories that lead him to believe the murder could be connected to an old case, and to someone with a link to his past. Easy Target is the sequel to No Alibi.
