

Civil Service Exam (Civil Service Exam (Learning Express))

From researchers to mechanics, librarians to lumberjacks, the government employs nearly every kind of professional imaginable. Whether trying for employment at the federal, state, or local level, Civil Service Exam provides the critical strategies needed to find the right career and the crucial skill practice required to pass the civil service exam. This book contains three, complete practice exams, covering all the commonly tested skill areas: mathematics, written communications, and civil service-specific skill sets such as memory, customer service, and coding, as well as free access to online practice tests with instant scoring and individualized feedback - its like having the test in advance!
