

Master The Officer Candidate Tests: Targeted Test Prep to Jump-Start Your Career (Petersons Master the Officer Candidate Tests)

Every year, the U.S. Armed Forces commissions thousands of new officers. Master the Officer Candidate Tests provides candidates with the preparation they need to achieve high scores on the required qualifying exam. Key topics for each military branches-specific exam are covered in detail, from verbal reasoning and math to mechanics and electronics. Test takers are also provided with the most current information on career opportunities in the military, with specific job descriptions for all five branches.
