

## The Return of Her Past

Once is a mistake, twice is a habit! Housekeepers daughter Mia Gardiner knew her feelings for multimillionaire Carlos OConnor were foolish. Until the day she caught the ruthless playboys eye. Now Mia is older and wiser, but she has never forgotten the feel of his touch. Then, like a whirlwind, Carlos returns. The girl he once knew is now a poised and sophisticated woman. Carlos is determined to rekindle their passionate past, but Mias reluctance fires his blood. Refusing to be denied, he has one last trick up his sleeve: hell save her ailing business in exchange for endless nights in his bed!
