

Death On A Budget by Michael W. Sherer, (Emerson Ward Series, Book 6) from Books In Motion.com

After the apparent shotgun suicide of Emerson Wards childhood friend Lou Barrett, the Chicago freelance sleuth heads back home to Huntley, Ill., for the funeral in Sherers sixth whodunit (after 2006s Death Is No Bargain). Meanwhile, Emersons girlfriend, Nell Reilly, threatens to leave for Seattle with their two-year-old daughter, Emily, to visit her cancer-stricken mother. Emerson was planning to drive back to Chicago the afternoon of the funeral, but decides to stick around after Lous sister, Meg Brodsky, asks him to investigate Lous death. Danger erupts after Emerson asks too many questions about Lous business partner, Pete Anderson, and a shady mall development that left many investors in hot water. Emerson becomes increasingly alarmed as clues from the past dovetail with those from the present, leading to a surprising resolution.
