

The killings have started again... ..and the police are looking for a regular killer. Down-and-out bluesman Roy Porter has been living on the streets of Tulsa for years, and he's seen the pattern of death before. This is no ordinary killer, but a supernatural threat, and Roy knows odds are he's the next victim. Roy's only hope is to recruit an aging biker named Jim with a haunted past and blood on his hands. Together they track the killer through the mystic circles of Tulsa. They must face their own weaknesses, their crushed dreams, and their pasts as they race down Death's highway with a One-Way Ticket to Midnight. **REVIEWS AND BLURBS** An exemplary debut novel. --The Rocky Mountain

News Jonas has written a well-paced trip through the mean streets of Tulsa infused with music and magic. --The Denver Post Leave it to mild-mannered Gary Jonas to quietly slip in a masterpiece first horror novel while so many others are loudly making much ado about nothing. After years of honing his craft on the short form, Gary knows what makes for first-rate fiction. --Brian A. Hopkins Author of These I Know By Heart I loved the character of Howlin Roy Porter and look forward to buying his CDs. --Edward Bryant Author of Flirting with Death
