

## Mind Tricks (Xenonian Origins Book 3)

Keydra Tan her her roommate Zetra have it made. They have their degrees from the university, and have been accepted into their specialized military training programs of choice. With some time between classes the friends enjoy long walks, flirting, and a meal at the most posh restaurant on Xenonia. When their relaxing waiting game yields a mysterious stranger willing to stalk them into the military training facility things become terrifying. Can Keydra stop this man before her best friend is shot? Is she ready to do the unthinkable? Or is it all in her head?
