

Monsoon Poker (Ace Garvey Psychic Poker Player Book 1)

What is the one thing every poker player would sell his soul for? No, not to win the World Series of Poker? Its to be able to see his opponents cards. Not a tell, like a sweaty brow, a facial tick, or a raised eyebrow, but to truly see the other persons cards! Ace Garvey can see all the cards. He can also see who is having affairs, who cheats on their taxes, or which slot machine will pay off next. But to see these things Ace must shock himself with just the right amount of electricity. Too little and he is just like you and I, too much and he could do real damage to himself. Come along with Ace on his shocking poker playing adventures.
