

Tales from a Gas-Lit Graveyard (Dover Mystery, Detective, & Other Fiction)

Assembled by an authority on vintage thrillers, these 17 Victorian-era stories of the macabre include works from around the world by both popular and lesser-known authors. Among the more celebrated contributors to this collection are Ambrose Bierce, Robert Barr, R. Murray Gilchrist, Mrs. H. H. Riddell, Richard Marsh, and Guy Boothby. Discerning lovers of horror and suspense will take particular pleasure in the rarity of these tales, none of which have been reprinted since their original publication.
