

## Mounted By My Bear-dyguard (M/M Gay Paranormal Romance)

You talk too much, Bruce said, the buttons of Roberts shirt popping off under his massive hands. Robert Renet was just trying to pursue his dream of being a tutor. He thought being hired by the Capatelli family was his big break: they respected his credentials and paid him way more than he asked. But then Robert overheard a little too much and he had to make a decision: be an accomplice to the familys dark secrets or bring them down. His impending testimony will shake the organized crime family to its knees, if he can survive long enough to give it... Bruce Bastion is six and a half feet of bristling Bear Shifter and no stranger to dangerous missions. As far as hes concerned, mafia thugs are just another obstacle to go around or plow through. This newest assignment will be just like the others: do things by the book, everyone gets to go home. But what if he cant keep separate business from pleasure? Over 10,000+ words of a huge Bear Shifter Alpha Male having his way with the man hes sworn to protect. You must be 18 years or older to enjoy! There are also some free stories afterwards Ive attached as my thanks to you.
