From the author of *Naughty Bits*, one of the best authors of erotica,* comes *Naughty Wishes Part IV: Soul*, when the hunger for ultimate fulfillment between three young lovers comes to a breathtaking climax... Its everything their hearts desire but Samantha, Geoff, and Chris crave even more. With their feelings for one another out in the open and explored beyond their wildest dreams, other questions must be faced. Is it really love they feel? Or have they just been blinded by a relationship as intense and extreme as it is so profoundly intimate? For Sam, Geoff, and Chris the world of Dominance and submission is more nuanced than they imagined, and they are far more vulnerable than they believed. Now, while looking for answers to a lasting happiness amid their deepest emotional and sexual needs, Sam, Geoff, and Chris discover how much innocence they've yet to shed. Because they're about to make a play for the most unrealized fantasy of all...true love. Includes a teaser for *Unrestrained Praise* for Joey W. Hill This is one hell of a writer.
