

Naughty, Naughty (Nexus)

Gabrielle Salinger has been sent to track down Sabrina, a voluptuous and dominant young woman who has fallen under the influence of elderly sybarite David Anthony. Gabrielle soon discovers that the couple are already in France, getting up to all sorts of lewd mischief. Accompanied but not really helped by her girlfriend Poppy, Monty Hartle, and the boys from the Razorback Paintball, Gabrielle is soon beginning to wonder if she's bitten off more than she can chew. By the time she's being hunted through the woods in bunny costume, she's sure that she has.
