

Never Look Away: A Thriller

A warm summer Saturday. An amusement park. David Harwood is glad to be spending some quality time with his wife and their four-year-old son. But what begins as a pleasant family outing turns into a nightmare after an inexplicable disappearance. A frantic search only leads to an even more shocking and harrowing turn of events. Until this terrifying moment, David Harwood is just a small-town reporter in need of a break. Now the only thing he cares about is restoring his family. Desperate for any clue, David dives into his own investigation and into a web of lies and deceit. For with every new piece of evidence he uncovers, David finds more questions and moves ever closer to a shattering truth.
