

Insulation (A Horror Suspense Novella)

Yvonne's sure there's something wrong with her new landlord. She's right. He insulates his apartment against the noise of the outside world, but it's the voices that bother him most, and only a special kind of insulation can give him peace from the ghosts in his head. But when his new tenant stumbles on the secret he's kept so well, he can't let her leave... And she'd rather not stay. A horror novella from the author of *Masters of Blood and Bone*, *The Estate*, and *Deadlift*. * This version of *Insulation* is heavily revised, updated and expanded since the original. An earlier version of this novella is included in the charity anthology *Great British Horror Vol. 1*. All proceeds from the sale of this anthology go toward helping the homeless in the UK. Please consider purchasing that version instead of this. This version is cheaper, but that one is for a good cause. *
