

## All-Night Terror

You're invited to experience ALL NIGHT TERROR. Don't look for help, your weaker friends will be too scared to attend, but you're in for the nightmare of your life. Sit down in front of the TV and prepare for a late-night odyssey of wicked shocks as a horror movie marathon becomes a bloodbath before your very eyes. It starts when a disgruntled cable host seizes control of a television station, determined to give his viewers an evening they won't soon forget. One where monsters of all shapes and sizes rise up against mankind. One where deranged killers prowl the night for a variety of victims. And one where cinema itself haunts its creators and creations. Join modern horror stars Adam Cesare (Tribesmen, Zero Lives Remaining) and Matt Serafini (Feral, Island Red) as they bring you ten tales of fear that will have you shivering between the pages. All NIGHT TERROR good to the last slash.
