

Nikki 2 (G Street Chronicles Presents)

Nikki is again faced with a dilemma, but this time she refuses to handle it as anything less than a BOSS. Forced to take over the business in Prime's absence, Nikki forms the BOSS BITCH CLIQUE and they flood the city with some of the best coke that money could buy. They quickly learn that fast money comes with hard lessons. Everything was looking up until The Reaper was added into the equation. Jareka aka The Reaper is frustrated and angry and when she gets angry bodies fall. She wants the only person standing in her way of having Prime, the love of her life, dead. Now Nikki has to face off with the Reaper, and on top of that there's a wolf in sheep's clothing running within the crew. Nikki has her hands full and one slip could end her life.
