

No Hero #2 Comic

by Warren Ellis & Juan Jose Ryp Warren Ellis and Juan Jose Ryp, the team behind the fan-favorite Black Summer, are revolutionizing masked heroes yet again in the hottest new series of the summer! Josh Carver has been recruited into the vigilante superhuman rescue team The Front Line by Carrick Masterson. Which means Josh must become a superhuman by taking Masterson's secret drug FX7. But FX7 could drive him irreparably insane! How much does he want to be a superhuman? Would you take it? Forty years ago, a group of superhumans emerged in San Francisco, guided by the man whose unique new drugs gave them their incredible powers. But the team is not the only thing that's advanced over the years, and there are no easy victories when their luck finally begins to run out! This second issue kicks the story into high-gear and is available with a Regular or Wraparound cover by Ryp, as well as a rare 1-in-15 Design Sketch Edition featuring the initial character designs by Ryp.
