

No Way Out

When TV talk-show host Elias Claymore is accused of raping a 19-year-old girl, he turns to his friend, Alex Sadaka, to defend him. But Alex has a fight on his hands, for Claymore, a former Black Power activist, is anything but squeaky clean, and this time even the DNA evidence is stacked against him. Forced to share the defence with a lawyer from Claymore's insurance firm, Alex must battle his way through jury tampering, conflicts of interest, and vicious hate mail to uncover the truth. With Claymore a vulnerable target in prison and the prosecution scenting blood, Alex knows that time is running out. Could it be that this time there is No Way Out?
