

Noisy Outlaws, Unfriendly Blobs, and Some Other Things ...: That Arent as Scary, Maybe, Depending on How You Feel About Lost Lands, Stray ... So Maybe You Could Help Us Out (Mcsweeneys)

A collection of stories for wise young people and immature old people, written by favorites of all ages: Nick Hornby (High Fidelity, About a Boy), John Scieszka (The Stinky Cheese Man), Neil Gaiman (The Sandman, American Gods), and many others. Each story features color illustrations by a different artist, including Barry Blitt, Marcel Dzama, and Lane Smith. Lemony Snicket adds an introduction and a story of his own at least, he starts one, and then it is up to the reader to finish. The story appears on the inside of the dust jacket; you add your own thrilling, joyful, or disgusting ending. The jacket then folds up into a fancy envelope, addressed to us. Our favorite ending will receive a fabulous prize of some sort.
