

Mighty Samson #1 Raymond Swanland Cover

Five-hundred years after the end of the world, amid the ruins of a once-great city scourged by mutated monsters, marauders, and savage subhuman predators, the primitive NYark tribe ekes out a meager, fragile existence. But from among them rises a champion, gifted with prodigious strength—a warrior who can strike dead the most fearsome beast and stand alone against an army. Singlehandedly, he holds at bay the ravaging barbarian hordes of Jerz, thwarting the dark ambitions of beautiful, ruthless Queen Terra. At stake is the future of the world. Mighty Samson is the last, best hope of humankind. For the first time in a quarter century, Mighty Samson returns to comics, reimagined by legendary writer Jim Shooter and illustrated by Patrick Olliffe (Untold Tales of Spider-Man, Spider-Girl, 52). This bonus-sized first issue includes the very first Mighty Samson story from 1964!
