

Devil Smoke: A Beacon Falls Novel featuring Lucy Guardino (Beacon Falls Mysteries)

From New York Times and USA Today bestselling author CJ Lyons. For fans of Lisa Gardner, Tami Hoag, and Jeffery Deaver: Everything a great thriller should be--action packed, authentic, and intense. ~#1 New York Times bestselling author Lee Child After leaving the FBI, Lucy Guardino still feels like the new kid on the block with her team at Beacon Falls. But then a new case involving a young woman with amnesia searching for her lost memories shines a spotlight on a past case involving one of Lucy's team members. Dr. Tommy Worth left his job as a pediatrician ER physician to join the Beacon Group after his wife went missing, leaving him to raise their five-year-old daughter alone. Now the press is hounding him on the anniversary of his wife's disappearance. Distracting himself with the newest case at Beacon Falls fails miserably after the woman he is trying to help becomes the target of an anonymous stalker. Because, when you can't even remember who you are, how do you know who to trust? Or who to run from? DEVIL SMOKE is the eighth Lucy Guardino novel, but they can be read out of order. If you enjoy captivating suspense, intelligent storytelling, strong and vulnerable characters, and a freight-train pace, then you'll love this adrenaline rush of a heart-pounding thriller from a master of the genre. In true CJ Lyons fashion, this book pulls no punches. It's an in-your-face, no-holds-barred story depicting the cruel world of murder and drugs. As with all of her other books, CJ Lyons never disappoints.
This book was a true page turner and I didn't want to put it down. She is a brilliant writer and storyteller both, which is not often found in an author. I am already looking forward to her next novel!
