

Operation Caribe (Pirate Hunters)

Modern Pirates of the Caribbean Terror stalks the Bahamas. Someone is killing wealthy seagoing tourists, leaving no clues to the identity of the marauders and no trace of their victims bodies. The Bahamian police are baffled, and when a Coast Guard boat is discovered on a reef, its officers murdered, tourism authorities realize they need outside help, or this crime wave will ruin the islands biggest business. Team Whiskey, U.S. soldiers-turned-pirate-hunters, have tangled with Somali pirates, retrieved millions of dollars of stolen cargo and thwarted other high-seas piracy. They run to ground a gang of ruthless Caribbean pirates, but before they can tie up the loose ends, they have unfinished business to settle with Asias pirate kingpin. When they return, they face a threat more deadly than any piracy, a plot thatll blow the Caribbean sky high, unless the pirate hunters can do what even the U.S. Navy cannot ...At the Publishers request, this title is being sold without Digital Rights Management Software (DRM) applied.
