

Out on Top - A Collection of Upbeat Short Stories

We are long overdue a break. Out on Top is a bag of stories where wrongs are often put right. Instead of dwelling on what might have been, characters get their chances to rectify their regrets and tidy up their troubled pasts. Once-reluctant Romeos, clever creatures and innovative new technology sees the cast of Out on Top get second chances to see the truth finally come out whether it wants to or not. From the author of In All Probability, Out on Top sees Steve Morris return to set a few things straight.
