

Breaking Point (Family by Choice) (Volume 15)

Mike was finally ready for happiness. After everything he had been through with Rebecca, he was finally ready to turn the page and start a life with the only woman who ever held his heart. He and Jade were getting married. They were going to have twins. No matter what, nothing was going to mess this up. Nothing and no one. Mike wakes up on his wedding day to find himself in a fight for survival. The plans he had were about to be lost forever. He has two choices. Fight or die. Meanwhile, Brittany begins her own fight for survival. The medical crisis she had been avoiding for months rears its ugly head and there is little time to prepare. Tommy cant help her. Naomi cant help her. Her body is shutting down and it isnt a fight they can attack. This just might be her breaking point.
