

Partners in Crime: Two Logan and Steel Short Stories (Bad Heir Day and Stramash) (Logan McRae)

Two bloody brilliant short stories from No. 1 bestselling crime writer Stuart MacBride, featuring DS Logan McRae and his boss DI Steel. STRAMASH: Something fishy is happening on the isle of Jura. DS Logan McRae gets a phone call from DI Steel ordering him to come to the island at once. One freezing night's sleep in a hatchback and two storm-battered ferries later, Logan arrives but there's no sign of Steel. She's lumped him in the middle of a policing nightmare, with bodies, and bullets, and tiny wee boats. And a dangerous hard man who's meant to be dead. DI STEEL'S BAD HEIR DAY: Why is DI Steel in an even worse mood than usual? Is it because it's Christmas? Or maybe it's because the missing person's case she's just caught looks like a hoax from a mile off? Or is it because she's just been left a huge amount of money? One thing for certain: Steel's having a bad day, and she's hell bent on making sure Constable Guthrie has one too.
