

Wholly Ground (The Logan Creek Series)

Jimmy Lee Starnes has established a new identity far away from Logan Creek, Texas. For the most part, he's quit worrying about running into anyone who might know his checkered past. Meanwhile, his old hometown is undergoing a major downtown facelift. As Meg Patterson and Brad Sampson begin to rebuild their friendship, she feels God leading her to become a part of the growing business community. With encouragement from her friend, Pam Starnes, and the expertise of her father, Stephen, she hopes to turn one of the old downtown buildings into a successful one. Sheriff Thomas and his deputies have more unsolved cases and suspects than a town this size deserves. When every lead turns into a dead end--and a key suspect ends up murdered--Sheriff Thomas wonders if it's time he asks a higher power for some help...and this time he's not thinking about the Texas Rangers.
