

## Deadly Satisfaction (A Dangerous Love Novel)

I can't wait to see what Trice Hickman does next! --Mary Monroe, New York Times bestselling author And then there were three. . . Its been two years since Johnny Mayfields murder rocked Amber, Alabama. His death, along with the illicit personal scandals that preceded it, created more drama than the town had ever seen. But now life is back to normal, at least for his widow, Geneva. Or so it seems. Happily remarried, Geneva has to admit her life is better than ever. Her upscale salon is thriving, and she finally has the baby she always wanted. But when she hires nanny Morgan Whitman, she discovers the deceptively matronly woman is stirring up drama, causing Geneva to question many things--including who really killed Johnny. Add local gossip columnist Shartell Brown and tell-it-like-it-is Donetta Pierce to the mix, and soon vicious rumors, terrifying threats, and long held secrets may add up to another shocking murder--one that will rival even Johnny Mayfields.
