

Gated II: Ravenhill Academy

Matt Drabble is a name that will one day be as widely recognized as Stephen King & Dean Koontz-READERS FAVORITE

From an award winning & best selling author with a highest Amazon Horror Author Ranking of 5th. It has been 10 years since the events in the small picturesque town of Eden. Lives were forever altered as two newcomers found the courage to peek behind the curtain and bring Tolan Christians reign to a violent end as the town burned around them. No-one was more affected than Sarah-Jane Mears. The once bubbly ball of good nature is now a shadow of the former woman she used to be. After travelling to try and find a new home she has eventually settled in Northern England. She has taken a teaching position at Ravenhill Academy, an exclusive private school. But now there is a new student who has just transferred. A young American boy who is strangely familiar and oddly charismatic. As the school breaks for the Christmas holidays the harsh winter weather has cut them off from the outside world. Sarah is starting to learn that Ravenhill is an old building seemingly with a life and an energy of its own, one that is slowly stirring. She is going to realise that not all lessons are learnt in the classroom and that some secrets won't stay buried.
