

Spooky Nook

A writer whose wife has been missing for eight months encounters a familiar old woman with an odd request a request that will introduce him to a surprising evil. SPOOKY NOOK is a 10,000-word prequel of sorts to THE CALLING, a supernatural thriller by Robert Swartwood. The prologue and first three chapters of THE CALLING are included in this e-book.

Praise for THE CALLING: THE CALLING is a powerful, gripping and terrifying novel, the sort that possesses your whole life while you're reading it; it'll stalk you through the day, and inform your dreams. Swartwood has delivered a novel that will become a classic. Tim Lebbon

Robert Swartwood's THE CALLING is a diabolical rocket sled of a psychological thriller. Told through the vivid, almost druggy point of view of a young man on the edge, tangled in a web of tragedy and surreal horror, Swartwood's novel gets under the skin and stays there. Highly recommended. Jay Bonansinga
