

Falling for the Prodigal Son

A sweet summer romance set on the shores of the Chesapeake Bay. A wealthy heir ... All Sterling Matthew wants is to get his family's resort back on sound financial footing and then leave sleepy St. Caroline for good. He expected the inn's staff to resist the radical business changes he has to make. What he didn't expect was to find skinny, gawky Lucy Wyndham all grown up. A woman who's pulled herself up by the bootstraps ... For years, Lucy wondered whether she'd ever catch another glimpse of the tall, quiet boy she'd crushed on at the Chesapeake Inns summer camp for disadvantaged kids. Now he's her boss and the attraction is just as strong. When Sterling informs her that the camp must be eliminated to improve the resort's bottom line, Lucy embarks on an ambitious campaign to save it even if the price is her job ... and her heart. And a teenage infatuation that's all grown up.
