

## Promise Me Forever: A novella (Promise Me Series)

THIS IS A FOLLOW UP NOVELLA TO PROMISE ME THIS. Charlie Jennings and Jhett Hudson knew that a single moment could change everything. It took them one song to find each other, one question to give them a chance, one kiss to fall in love, and one night to almost lose it all. But they had one thing other couples lack - pure, unconditional love - and that takes more than a moment to walk away from. Falling in love is only the beginning. Forever is what happens next.
