

Psy-Comm #1: v. 1

In the corp-state of Electromedia, no star shines brighter than that of Mark Leit, a young man destined to become possibly the greatest Psy-Comm of all time. But a tragedy from his past and a desire for redemption will cause Mark to abandon everything his life has stood for. In the eyes of Marks partner and best friend, David (a Psy-Comm who is unquestioningly loyal to the corporation), it will be the ultimate act of betrayal.
