

Punktown

Jeffrey Thomas collection Punktown explored the streets and back alleys of a futuristic and nightmarish urbanscape in a series of unconnected short stories. In Punktown: Third Eye, Thomas has teleported authors Simon Logan, Jonathan Lyons, Charlee Jacob, Paul G. Tremblay, Michael McCarty, Mark McLaughlin, Garrett Peck, Thomas Andrew Hughes, and Scott Thomas into the city to pen their own tales of its citizens, aliens, mutations, and sentient machines. These talented authors bring a new perspective, a personal vision, a third eye view to the phantasmopolis that is Punktown.
