Novel (60k words) Psychological horror / suspense, ghost / paranormal - Beacon Hill Chronicles: Volume 3: Two years have passed since the horrible events in the Thorndike brownstone on Beacon Hill. Viv and Joe are recovering. Mattie and Stan have Adam, the little son they both adore. But strange things are going on in GrammyLous townhouse; realtors refuse to show it because they say it is haunted and prospective buyers are being frightened away. Mattie hires a Salem ghost-hunter named Destiny Starlight, but though she identifies three distinct spirits haunting the old ballroom, her bungling only makes matters worse. With the help of Calista Defarge and Anteus Roosevelt Jones, an elderly historian, Viv discovers an ancient secret the house conceals. Guided by a mysterious Romanian monk, Brother Maksim Gromyko, Viv makes a terrifying journey that could end her relationship with Joe and possibly her life.
